An Ideal Medicine.

MISS LOUISE MATHER, 13 Church St., Burlington, Vt., Vice-President Bureau of Exchange, writes:

"Your medicine is an ideal woman's medicine and by far the best I have known to restore lost health and strength."

"I suffered for several years. My back ached, I had bearing down pains, and frequent headaches."

"I would often wake from sleep in such pain that I would suffer for hours before my eyes would close again. I dreaded the long nights as well as the weary days."

"I consulted two physicians, hoping to get relief. Finding that their medicine did not seem to cure me, a friend advised me to try Pe-ru-na."

"I am certainly glad that I followed her advice, for Pe-ru-na was the only medicine for me. Every ache and pain disappeared in four months and I am in perfect health now."

"My earnest advice to suffering women is to try Pe-ru-na, for I feel sure they will not be disappointed in it."—Louise Mather.

Enjoying Splendid Health.

Mrs. L. E. Tyler, Santa Monica, Cal., Secretary Santa Monica Musical Society, writes:

"I was troubled for over three years with systemic catarrh, complicated by female weakness and inflammation."

"This induced frequent headaches, nervousness, hysteria and sleeplessness, which nothing could relieve until I tried Pe-ru-na."

"I began to feel better after I had taken the first bottleful and improved from week to week until at the end of about eleven weeks I was entirely well."

"I am pleased to say that I have enjoyed splendid health now for nearly a year. I have a fine appetite, enjoy sound sleep and do not suffer from any more headaches or other pains."—L. E. Tyler.

Miss Edith Reams, 726 North Main St., Dayton, O., writes:

"I suffered for some time with both lung and female troubles."

"I had been under the treatment of a good physician for about nine months without obtaining any relief, when Pe-ru-na was recommended to me. After taking twelve bottles of this medicine I have completely regained my health."

"I am pleased to recommend Pe-ru-na to any one suffering from the above ailments."—Edith Reams.

Kills His Wife With Hatchet.

Buffalo, June 23.—As bloody a murder as was ever committed occurred in Buffalo, the victim being Mrs. Kathrine Avidiso, an Italian. The husband of the woman, now under arrest, admits he killed her. A cry aroused the block in which the couple lived on Illinois street. On a wretched pallet on the floor the woman was found. Her husband, with blood dripping from his hands and clothing, was caught as he was trying to crawl through a window. He had hacked himself on the head with the hatchet with which he had slain his wife.
